

HOME REPAIRS MINISTRIES

Mission, Vision, Strategy, & Values

MISSION STATEMENT:

To serve vulnerable homeowners with critical home repairs.

VISION STATEMENT:

Repairing Homes & Hearts as churches serve together.

STRATEGY:

To deploy and lead capable and caring volunteers to serve our clients.

VALUES:

Compassionate - believing that God's heart is especially drawn to those who are suffering, we seek to be the merciful, as we so desperately need God's mercy in our own lives. We are inclusive and willing to serve any homeowners in need that we are equipped and able to serve regardless of their background, beliefs or situation.

Volunteer-operated – work is done through volunteers, leveraging our ability to serve and meet the needs of those in our community.

Ethical – delivering on what we promise and being careful to speak the truth.

Local church-oriented – the ministry draws from multiple churches, which helps us identify and know local community needs and serve many more than we could by ourselves.

Prayer driven – we acknowledge that God is sovereign in the affairs of humanity and that prayer is a means for mobilizing the faith of believers, comforting hurting people, and empowering HRM's ministry.

Gospel-centered – we balance Word and deed and believe that faith and trust in Christ alone for salvation is the only rescue from the guilt of our sin.
